**NEEDS/PROBLEMS/COMMENTS, continued:**

3. *Petition* states at Item 3(e)(2) that the Will and Codicil are self-proving. However, the Will is not self-proving in the attestation clause as permitted under Code of Civil Procedure § 2015.5. Need *Proof of Subscribing Witness* to the Will pursuant to Probate Code § 8220.
4. *Addendum to Last Will and Testament* dated 4/7/2011 attached to the *Petition*, which appears to be considered by the Petitioner as a Codicil to the Will, is not witnessed pursuant to Probate Code § 6110(c). Given that there are no subscribing witnesses to the *Addendum to Last Will and Testament* such that *Proof of Subscribing Witness* to the document pursuant to Probate Code § 8220 cannot be provided, the Petitioner as proponent of the *Addendum to Last Will and Testament* must establish by clear and convincing evidence that, at the time the testator signed the *Addendum to Last Will and Testament*, the testator intended the *Addendum to Last Will and Testament* to constitute the testator's Codicil to the Will, pursuant to Probate Code § 6110(c)(2) allowing treatment of a will or codicil not executed in compliance with Probate Code § 6110(c)(1) as if it was executed in compliance with the Probate Code requirements.
5. Item 5(a)(2)(b) of the *Petition* states Decedent's spouse is deceased. Item 8 of the *Petition* does not include the name and date of death of deceased spouse pursuant to Local Rule 7.1.1 (D).
6. Item 5(a) of the *Petition* is incomplete as to (3) or (4) re: registered domestic partner, and (7) or (8) re: issue of a predeceased child.

The child has been in the care and custody of the petitioners since November 2013 after the father informed the petitioner that the child's mother had been killed. When the petitioner, Jaymes Drake, arrived at the home of the child, the minor had been wearing the same clothes for days, there was no power in the home and the minor was eating visibly old food. Petitioners are concerned about the child's medical and dental care. He requires immediate dental work, however, the petitioners were advised by the doctor that they would first need to obtain a guardianship before receiving medical attention. Petitioners would like to obtain insurance for the minor. Petitioners believe the maternal grandmother may be receiving benefits for the minor. Since he has come to live with them, Petitioners have learned what a troubled life the minor has had and it is their desire to give him the love and attention that he deserves.  <b>Court Investigator Jennifer Young filed a report on 4-25-14.</b>

**Amended Spousal or Domestic Partner Property Petition**

<b>DOD: 9-25-11</b>		<b>CAROLE L. MITCHELL</b> , Spouse, is Petitioner.	<b>NEEDS/PROBLEMS/COMMENTS:</b>
		Petitioner states a petition for probate or for administration of the decedent's estate is being filed with this petition. See #12.	<u>Continued from 2-25-14</u>
<b>Cont from:022514</b>		Will dated 6-23-80 devises the estate to a testamentary trust.	<b>Note:</b> Petitioner filed a separate Petition to Determine Succession on 3-20-14 in 14CEPR00250 that was heard on 4-30-14 and continued to 6-11-14.  <b>Note:</b> Attorney Ryan Janisse appeared on behalf of Petitioner in the above-referenced case on 4-30-14.  <u>As of 5-1-14, nothing further has been filed in this case. The Following issues remain:</u>
<b>Aff.Sub.Wit.</b>			
<b>Verified</b>		Petitioner requests determination of property passing to the surviving spouse without administration; however, the petition does not attach a description at #7a with the legal description of the property to be determined as passing to Petitioner.	<ol style="list-style-type: none"> <li>The decedent's will devises personal property and effects to Petitioner, but devises the residue of the estate to a testamentary trust. Therefore, it appears this Spousal Property Petition may not be the appropriate vehicle to transfer the decedent's property.</li> <li>Petitioner states at #12 that a petition for probate is being filed concurrently with this petition. However, Court records do not indicate any such filing. Need clarification.</li> <li>Petitioner does not attach any property description pursuant to #7a for what is being requested to be determined as passing to her.</li> <li>Petitioner's signature on the petition is not dated.</li> </ol>
<b>Inventory</b>			
<b>PTC</b>			<b>Note:</b> Petitioner previously filed a petition with an Inventory and Appraisal listing numerous parcels of real property (or portions thereof); however, this document is not appropriate for this type of petition and further is not referenced in the original petition or in the amended petition. <u>If</u> it is these parcels that Petitioner is requesting to pass, it now appears that, pursuant to the will, the property would to a testamentary trust, not to the surviving spouse.
